# GR8 TITS!

Avril Lavigne gives us two reasons to celebrate!

**W**HY are we smiling like stupid fucking Cheshire cats, readers? It's not just because punk pop princess **Avril Lavigne** went for a stroll in Beverly Hills and flashed a nipple in the process.

It's also 'cos we've learned the 31-year-old Canadian cutie – singer of our fave misspelt tune *Sk8er Boi* – has come to her senses and DUMPED

husband Chad Kroeger, better known as that fuckwit singer for that fuckwit Canadian “rock” band Nickelback.

We're always happy to see hot chicks realise they've made A TERRIBLE MISTAKE and wise up.

But don't start saving up for the airfare to Los Angeles just yet, fellas.

Your dreams of “accidentally” bumping into Avril in a bar and

perhaps enjoying some drunken one-night-stand rooting action have been dashed.

Sadly, the sexy singer's already been sighted arm in arm with another fuckwit rocker, Ryan Cabrera.

So spend that plane ticket money on something more worthwhile, like a bunch of Nickelback CDs...and a fuckin' sledgehammer to smash 'em.

# POLE DANCER

Perfect Eva likes to move it, move it!

PHOTOS BY IMM

**H**ERE'S a fun fact: Polish is officially the second language of England. It's hardly surprising – one look at Kalisz-born **Eva Wyrwal** and her 34H natural titties would make ANY man immediately enrol in language class in a bid to land such a fuckable babe.

Yes, she's perfect! Or *perfekcja* as they say in Warsaw.

Even though we're a long way away from Europe, we can still perv on the 26-year-old's chesty substances and pretend she's lying right beside us in bed, post-coital, and teaching us a rude phrase or two in her native tongue.

In between her using said tongue for all sorts of sexy-time naughtiness.

Being hot and famous, we imagine London-based ▶

**'POLISH  
GIRLS HAVE  
SEXY  
ACCENTS'**

'I CAN  
SWEAR IN  
ENGLISH -  
I CAN SAY  
"FUCK"  
IN BED'

► Eva is envied by MILLIONS of chicks around the world.

And it was these talents that scored her a spot on the Polish version of *Dancing With The Stars*. Or *Taniec z Gwiazdami* for those already practising their language skills.

Eva said, "It was a new challenge and experience for me. Not only did I get to meet new people and show another side of myself in Poland, but it was also a great way to improve my figure."

Pfffffffffffft...you can't improve on *PERFEKCJA*, Eva.

On the subject of entertainment reality shows, we'd love to see our

favourite Pole perform on something else like *The X Factor*.

Yeah, three minutes of watching her WUMBAS bounce around while she belts out a tune ought to do it!

"I don't think so," she snapped, shattering our (wet) dreams. "I can't sing! Besides, I don't think my boobs would be enough to get votes, but I guess you could watch the video clips with the sound off,"

There isn't a warm-blooded man on the planet who wouldn't vote for Ms Wyrwal's breasts

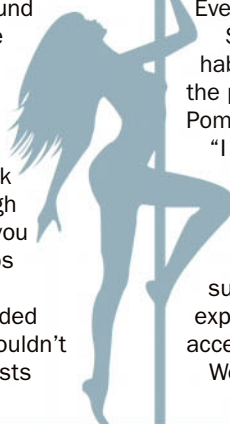

even if the singing WAS a little bit off-key.

Hey, everyone has flaws, right? Even a goddess like Eva.

Speaking of flaws and bad habits, she's picked up quite the potty mouth since living in Pommyland.

"I can swear in English," she laughed. "I can say 'FUCK' in bed, which I didn't know before and that can be very useful."

As for why Polish gals are superior to English babes, Eva explained it's due to "a sexy Polish accent and that Slavic look". Works for us. 🇵🇱

# STUNNIN'!

**LENDING** her lungs to Naughty Boy track *Runnin'* (*Lose It All*) isn't the only act of generosity the exquisite Beyoncé has committed lately. At the Tidal X charity gig in Brooklyn, Bey, 34, donated

a healthy scoop of sideboob to our hungry eyes. What's more, she did it with a smile – a vertical smile outlined by the pink suit she wore on stage. Now if she could just spare us \$2 for a cuppa...

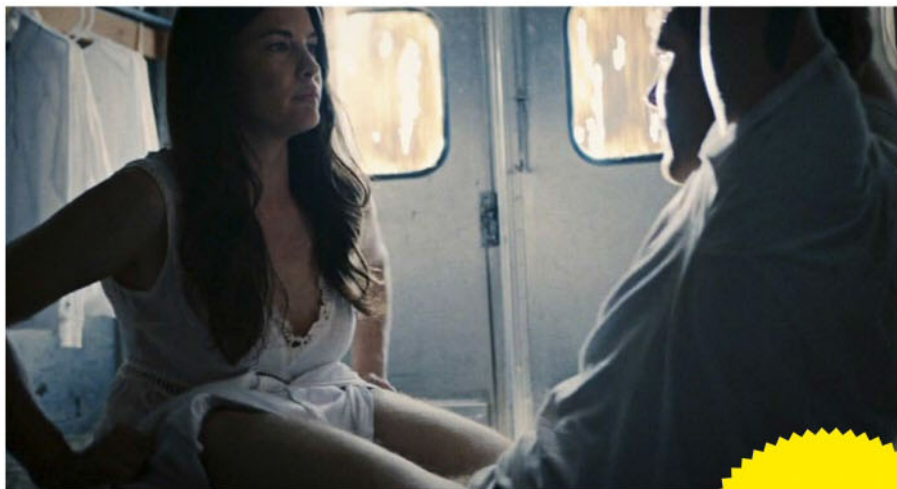

FLASHIN' ICONS

## A SQUIZ AT KATE, GIS

CHICK style bible *Vogue Paris* has celebrated its 95th anniversary with four different covers. The two that interest us feature **Kate Moss** and **Gisele Bündchen**, who also get their high-priced gear off inside the mag. Brazilian honey Gisele, 35, manages to look like sex on legs, despite wearing a single black boot. While 41-year-old Mossy rocks out with her knockers out in a field of flowers. That's fashion, folks – and always will be.

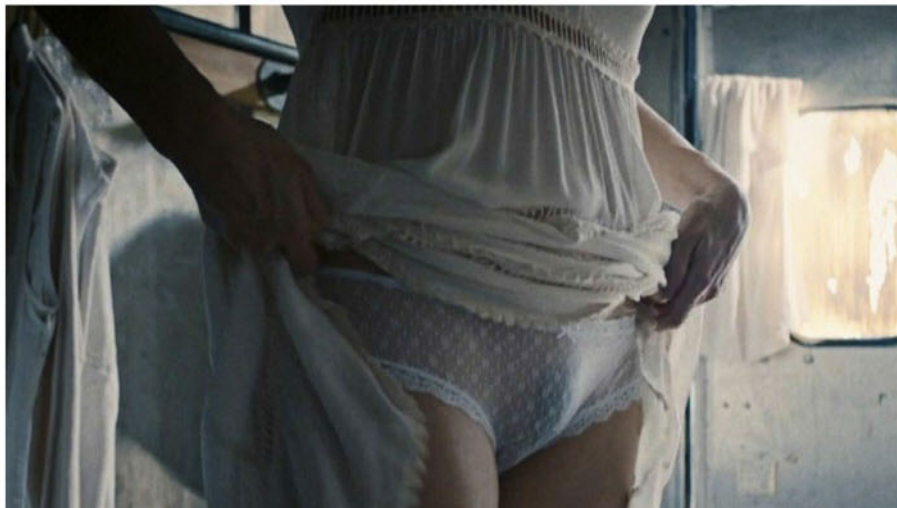

## LEFTOVERS HEATS UP

LIV TO WIN

CABLE drama *The Leftovers*, set in a world where millions and millions of peeps have suddenly vanished, has reached a new high in season two with a fur flash by fan favourite **Liv Tyler**. If you're suspicious

about the fact the looking-great-at-38 actress's face isn't in the frame with the fanny fuzz, don't be. She leans forward after lowering her panties and there's no gap in between. Er, so to speak.

KHALEESI ON THE EYE

## EMMY'S AWARD

YANK rag *Esquire* has named **Emilia Clarke** — aka Daenerys Targaryen in *Game Of Thrones* and Sarah Connor in *Terminator Genisys* — “The Sexiest Woman Alive”. In the profile accompanying Vincent Peters’ sultry snaps, the 28-year-old Brit jokes about snagging the *GOT* role that made her a superstar: “My agent told the casting director, ‘I know that the breakdown for this character is tall and willowy and blonde. I know she’s short and round and brown, but I’d like you to see her.’” We’d like you to see her, too.

## STRIPE TEASE

**WHEN** was the last time you saw a Kardashian doing any work? We can’t comment on the other family members, but 19-year-old sweetie Kendall Jenner is constantly slinking up and down catwalks. Usually for an internationally famous designer. And sometimes with her delightful widdle nipples visible through a striped top.

THREESOME

## NORK ATTACK!

IF WE weren't already hanging for a sequel to *2 Headed Shark Attack*, the mad talent in *3 Headed Shark Attack* would be enough to get us watching... There's action-flick legend Danny "Machete" Trejo, pro wrestler Rob Van Dam, Chris Brown's sexy ex Karrueche Tran...oh, and (top to bottom) beauty queen **Jena Sims**, nubile newcomer **Kimberly Battista** and X-rated actrease **Jazy Berlin**.

HELLO, I'M...

# TINA KAY

**LITHUANIA'S** pale, gorgeous Tina Kay started in porn in 2013 at the relatively advanced age of 28. Since then, she's progressed from lesbian-only jollies to hetero backdoor bonanzas and now tweets things like "ready for some bum fun twice a day tomorrow" and "resting my ass today before getting back to shoot two boy-girl anal scenes". Follow her cheek-spreading odyssey @tinakayxxx.

## NADDY ISSUES

# KILL THRILLER

**YES, it's LA-based Russki songbird Nadeea Volianova, 29, being awesomely outrageous again. We're reliably informed this grab comes from the forthcoming video for her dance ditty *Your Love Is Killing Me*. If that's the case, she may be heading for another banning from YouTube. In April, the clip for her *F\*\*k Me Daddy* was kicked off the website. Seems like Naddy hasn't learnt her lesson about gratuitous skin – thank God.**

ELLIE-VISION

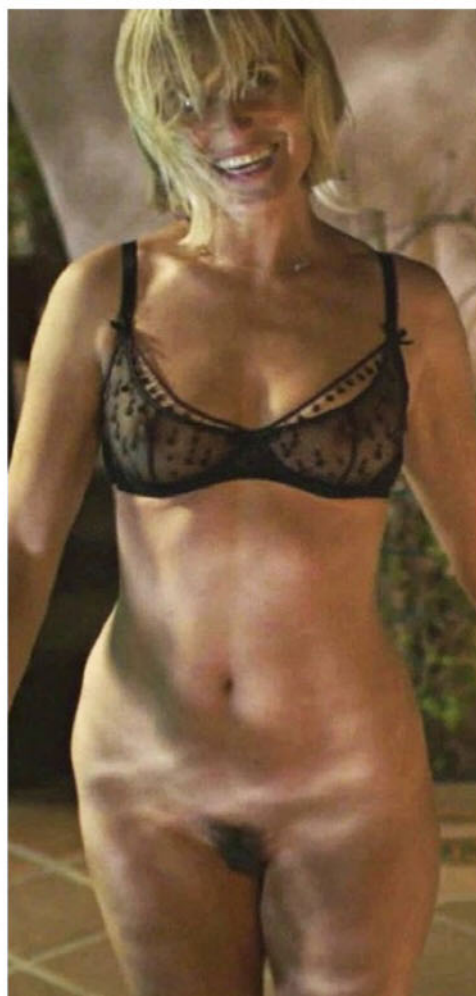

## STEAMY ROLLA

Ordinarily, we wouldn't report on 28-year-old Pommy popster **Ellie Goulding** posing in a dress. On this occasion, however, the frock does nothing to hide the *On My Mind* singer's shapely bosoms. Ta muchly to UK publication *Rollacoaster* and shutterbug Alexandra Leese. And cheers to Ellie for leaving her bra back in the dressing room.

**SWING

## JUDITH JUICY

IN KINKY 2015 comedy *The Overnight*, a couple who have recently relocated to LA are invited to the home of some potential new friends with more than chitchat on their minds. French actrinx **Judith Godrèche**, 43, is the female half of the wacky pair. There's nothing wacky about her own pair, though. Same goes for her neatly trimmed pubes.

## SHARING THE LOVE

The freshest flesh on celebrity social media

Reality telly wild child **Courtney Stodden** dangled her tropical fruits. We'll take two, please.

Comedienne and celeb roaster **Whitney Cummings** put her stylist on booty-wrapping duty.

## NOT-SO- UGLY BETTY!

THE star of the original *Ugly Betty* – i.e. Colombia's *Yo Soy Betty, La Fea* – **Ana Maria Orozco** has ditched her threads for *SoHo* magazine at 42! As you can see, the results are beautiful. Who'da thunk that under her dorky fringe, glasses and braces (far left), Betty was a total cracker? It's not like that's ever happened in a movie or TV show before...

WASH & BARE

## AMERICAN BOOBY

IGNORING the ever-so-slightly dodgy premise that a professor would ask a failing student to run a business for him, *All American Bikini Car Wash* is nonetheless a film of unparalleled genius. How could so many topless B-grade babes be anything but brilliant? What's that? Where are their bikinis? In the wash, obviously!

## TOOL SCHOOL

WANNA become an X-rated actor? Then you should learn from the best, and there are none better than hardcore legend **Rocco Siffredi**

The Italian Stallion has started an academy to teach 21 wannabe woodsmen and aspiring actrines the...ahem, ins and outs of the jiz biz.

His efforts will be documented in

the Italian reality TV series *Universita del Porno* (*Porn University*).

You couldn't find a better ROOTER TUTOR than Rocco, who's banged thousands of chicks in more than 1300 pornos.

We wonder what they'll call the degree? A Bachelor of Arse-to-Mouth has a certain ring to it.

We graduated summa CUM laude

## → Rude bits

→ "This one time, in band camp..." An assistant band teacher had to resign after her bosses discovered she spent her spare time making online porn. By day, Kristin Sundman worked in an Ohio high school, teaching students how

to play the flute. By night, she became **Melodyxxxtune** (left) blowing the flesh flute for paying internet customers. Maybe Kristin and mucky moonlighting Florida cop Sabine Raymonvil (see last issue) should get together for a coffee and discuss their workplace issues.

→ No wonder those Kardashians are so fucked up – turns out their nanny used to be X-rated **Bree Olson**! She was briefly hired in 2007 to look after Kendall and Kylie, and even popped up in an ep of *Keeping Up With The Kardashians*. This was good experience for Bree who later went on to babysit man-child Charlie Sheen.

# LOVE BITES

FORGET those namby-pamby sparkly cunts from *Twilight* – we like our vampires with huge tits, pierced clits and an insatiable lust...for COCK MEAT!

In gory sequel **Hot Chicks, Big Fangs 2**, **Nikki Benz** is the head vamp of a bloodsucking clan who lure studs to their mansion so they can drain them of semen before draining them of their claret.

Naturally, when Halloween rolls around, the filthy fanged

femmes decide to hold the orgiest orgy to end all orgies – a fuck-filled affair that'll climax with a bloody buffet to wrap up proceedings.

There are some choice! immoral scenes featuring the immortal likes of **Anna Bell Peaks** and **Dillion Harper**.

We hope the guys are wearing! garlic-flavoured condoms and! use holy water-based lubricant. Otherwise, they're gonna root, then BE ROOTED!

We wanna impale Nikki's vagina with our beef stakes!

### BEST THING ABOUT YOUR JOB?

"Doing my part in changing the world's perception of sex. I've got letters from couples that say, 'You've revived our stale 20-year-old marriage. Thank you so much! We love watching your porn.' Those are my fave letters to get, from a couple telling me how much they enjoy watching me together. That gets me off."

### YOU DID DOUBLE ANAL ONCE.

### WAS IT LIKE SQUEEZING 10KG OF ORANGES INTO A 5KG BAG?

"I did that double anal in my first scene. James Deen looks down and John Strong was the anchor. He says, 'Double anal?' I said, 'If it'll go...' He said, 'Oh, it will go.' And it did! And it worked and it was great. It was such a turn-on!"

### WHAT ELSE TURNS YOU ON?

"Perving on other people. Now, when I go to sex parties, I don't fuck. I like to get naked in the corner and watch."

# MONICA BELLUCCI

## Mature 007 spunk out-vamps her younger rivals!

**A**T AGE 51, screen siren **Monica Bellucci** is what chick mags would call a "timeless beauty". She has an international appeal that spans many generations and both genders.

In her homeland of Italy, she's simply known as *La Bellucci* ("The Bellucci") and is an erotic icon.

Hollywood isn't stupid, which is why she's about to star alongside Daniel Craig as Lucia Sciarra, 007's leading lady in the new James Bond movie blockbuster, *Spectre*.

Everyone knows that being a Bond girl automatically places an actress in the category of IMPOSSIBLY HOT, but Ms Bellucci is even special-er than the average Bond girl, because she's the oldest one since Pussy Galore (played by Honor Blackman) in 1964's *Goldfinger*.

In fact, Monica was surprised she scored the role. The femme fatale asked director Sam Mendes, "Why do you call me? I'm 50 years old. What am I going to do in James Bond?" Well, all Mons has to do is shake her Money Penny...

er, MONEY-MAKERS and we'll go see the flick. Twice.

The actrinx still isn't fully convinced, telling *The Guardian*, "I can't say I'm a Bond girl because I'm too mature to be a Bond girl. I say Bond lady or Bond woman. But I'm proud to be a Bond lady, because he's the most amazing man. You know why? Because he doesn't exist."

Self-conscious and shy as a child, the beautiful Bellucci naturally went into modelling after school. It helped pay the bills while studying law at uni, but she soon called it quits to follow her true calling, acting.

She began with a few small roles in Italian flicks – quickly showing no qualms about nuding up before the camera – before scoring a breakthrough as one of Dracula's sultry brides in *Bram Stoker's Dracula* (1992), where a wider audience got to see those glorious Mediterranean melons.

Her...ahem, BODY OF WORK soon proved as attractive as her physical body. She earned positive reviews for her work in WW2 drama *Malèna* (2000), horror flick *Brotherhood Of The Wolf* (2001) and the extremely nasty *Irréversible* (2002).

Hollywood sat up and took notice, signing her to star opposite

Monsa's muff in 1998's *L'ultimo capodanno*

Fang-tastic in *Dracula*

Beneath the mourning clobber is a hot MILFy bod. We'll nail her at the wake

Sunbaking  
in Sardinia

### FAMOUS FACTOIDS

- ▶ Monica was married to French actor Vince Cassell for 14 years, but she's now happily single.
- ▶ She speaks fluent Italian, English and French – and even learned to speak some Farsi for her role in Iranian flick *Rhino Season*.
- ▶ Ms Bellucci hates dieting and exercise and calls herself “lazy”, saying she eats cakes and pasta, and drinks the odd glass of wine.
- ▶ Mons says the key to a happy life is to “eat well, drink well, have good sex and laugh a lot!” Wise words, darling.

Bruce Willis in *Tears Of The Sun* (2003) before landing the part of Persephone in *The Matrix Reloaded* and *The Matrix Revolutions* (2003), then Mary Magdalene in Mel Gibson's gory blockbuster *The Passion Of The Christ* (2004).

Monica's been in demand ever since and she doesn't shy away from difficult or disturbing parts.

In fact, she loves it, picking the dark roles over the obvious ones.

“I need to take risks,” she explained. “I need to be scared; when I'm scared it's like I can give more. I think I'm looking for trouble! I don't know why, maybe to prove myself.”

## I'M NOT SCARED BY NUDITY

And don't expect Monica to quit the body-baring business anytime soon either.

“I'm not scared by nudity,” the spunk told reporters, “because, for me, nothing is more beautiful than a body. In *Irréversible*, I treated my body like it was an object and it's great when you can have this kind of relationship with your body...it's the moment where you can give your best as an actress.”

When it comes to the BEST, nothing beats *La Bellucci's* bod.

The **10 hottest babes**

**L**ET'S be honest here: we might watch the **James Bond** flicks partly for the big-screen action, fast cars and cool gadgets. But the main reason is to eyeball his crackin' co-stars, who cause more mayhem for secret agent 007 than all the oddball villains he faces. With Bondy's new adventure, *Spectre*, being released in Aussie cinemas on November 12, it's the perfect time to look back at six decades and 25+ movies – and compile a list of the TEN hottest honeys who've left the contents of Mr Bond's trousers shaken AND stirred.

WHAT A PAIN

# OUCH!

Lose yer lunch over UFC's worst injuries!

**T**HEY'RE hard cunts, those UFC fighters. They get punched, kicked, kneed, elbowed and have various body parts viciously twisted, yet smile away as if to say, "Is that all you got, you twat?"

But even the toughest men (and women) on the planet sometimes cop an injury so severe that even THEY have to admit to themselves, "Fuck, that hurt!"

At that point, these super-tough athletes may feel a tear welling

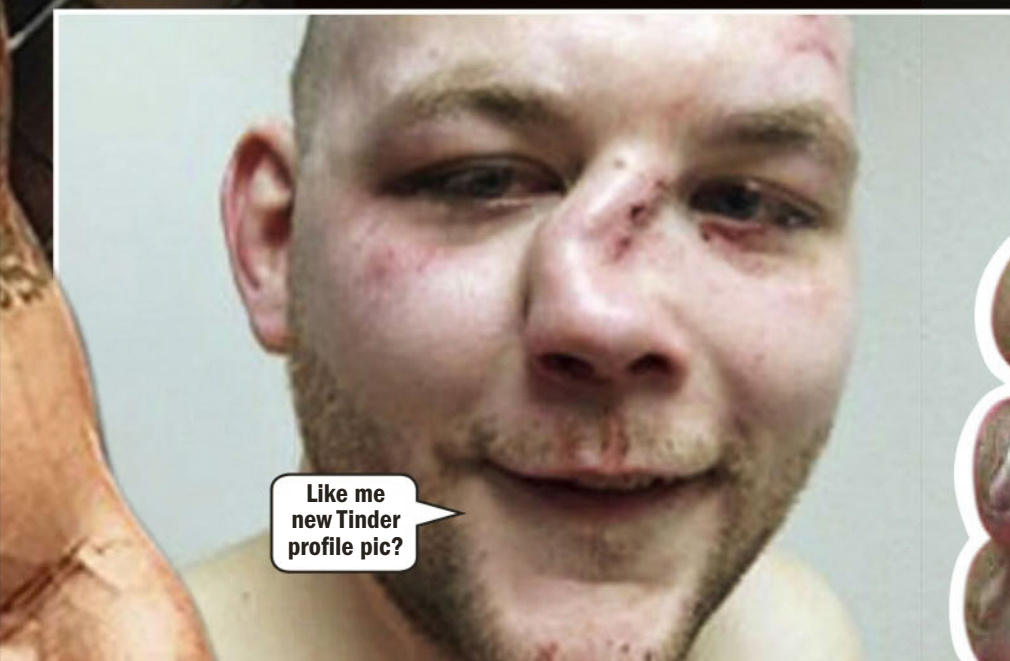

in their eye or, y'know, scream out in FUCKING AGONY while writhing on the canvas.

Whether it's knots on the head the size of bowling balls, broken legs or eyebrow gashes wider than a porn star's vagina, here are some of the WORST INJURIES ever seen in the Octagon.

We just hope you didn't eat a big saucy meat pie before looking at these pix. Oh, no...too late! BLUUUURGGGGHHH! © 2010

# ULTIMATE

**W**HILE this issue is on sale, UFC women's bantamweight champion **Ronda Rousey** will put her title on the line against fellow unbeaten MMA fighter Holly Holm in the main event at UFC 193 at Etihad Stadium, Melbourne. Not only are both ladies expert butt-kickers, they are also GOOD SORTS. Must be something to do with those toned-to-perfection athletic bodies. Same goes for most of the female martial artists in the UFC – and definitely for the Octagon Girls. As we prepare to watch the living fuck out of UFC 193, let's celebrate these sirens of the cage. ### Sexcuses

I BROUGHT my wife a Panadol and a glass of water as we were going to bed.

"What's this for?" she asked.

"I'd have thought that was obvious. It's for your headache."

"Darling, I don't have a headache," she said, confused.

"Well, then..." I grinned, unbuckling my trousers, "what are we waiting for?"

Noel, Qld

### Jesus returns

A RELIGIOUS bloke was devastated when he lost his favourite Bible. He searched high and low, retracing all his steps and combing the neighbourhood before finally admitting defeat.

The next day, he was just about to venture outside to buy a new copy, when he saw a majestic lion loping towards him, holding the Bible in its mouth!

"Praise the Lord!" gasped the bloke in amazement, retrieving the Bible from the lion's jaws. "It's a miracle!"

"Uh, not really, mate," said the lion. "Your name and address are written inside the cover."

Shane, WA

### On your bike

A BLOND guy is trying to pick up girls in a club. Approaching one hot chick, he leans in closely and coos, "Hey there, sexy. Can I come home with you?"

Looking him up and down, she says sweetly, "I'd love you to, sweetheart, but I'm on my menstrual cycle."

"That's alright, babe," whispers the guy. "I can follow you on my Vespa."

CR, Qld

### Wet dream

"I HAD this weird dream last night," Norm said to his mate. "I was eating this delicious, juicy mango. When I woke up, my face was drenched with sweat and my tongue and jaw were sore!"

"Sounds like a real nightmare," commented his mate.

"Yeah, I was envious of the missus, but. She was still asleep sporting a goofy smile!"

Jeanne, NSW

### Doctor's orders

DAVE sits at the bar looking downcast, so Lou asks, "What's wrong?"

Dave sighs, "I went to the doctor today and he said I can't play cricket."

"That cunt!" Lou exclaims. "Don't listen to him, he hasn't even seen you play!"

DW, SA

### For her pleasure

THE other day, I saw an ad for these new "super-sensitive" condoms, so I decided to give 'em a go. Turns out they're brilliant!

They hang around and cuddle the chick after you leave.

Paul, NSW

### The filth

"KNOCK, knock."

"Who's there?"

"Sir, it's the police. Open up."

"Well, you'll just have to wait! I'm taking a shit!"

"We know, sir. That phone booth is made of glass!"

TF, Vic

### Go for the juggler

A CIRCUS performer gets pulled over by a highway patrol officer for speeding.

## High school

A UNIVERSITY lecturer known as a boring old fart was giving his class a long-winded lecture about the dangers of smoking weed.

"People who smoke marijuana have a greatly increased risk of experiencing depression, paranoia, schizophrenia, cancer, nausea and even castration," he droned.

Hearing that last statement, one of the students had had enough.

"Castration?" he scoffed. "Sorry, sir, but I call bullshit!"

"You may laugh now!" warned the lecturer, "but what if your girlfriend gets the munchies mid-blowjob?"

GC, NSW

As the officer writes out the ticket, he glances inside the car and notices what looks like a pile of axes lying on the back seat.

"Sir, step outside. Why do you have those axes in your car?"

"Oh, those are just my machetes. I'm a circus juggler and I use those in my act."

"You juggle machetes?" the officer says suspiciously. "Well, why don't you show me, sir?"

So the juggler picks up three machetes and starts juggling them.

Noticing that the policeman isn't convinced, he adds more and more, throwing them through his legs and behind his back, until he's finally juggling 10 machetes while riding a unicycle!

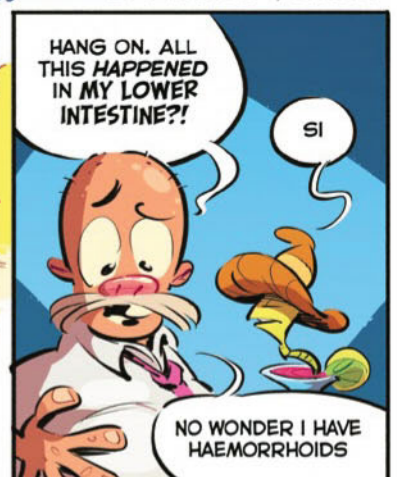

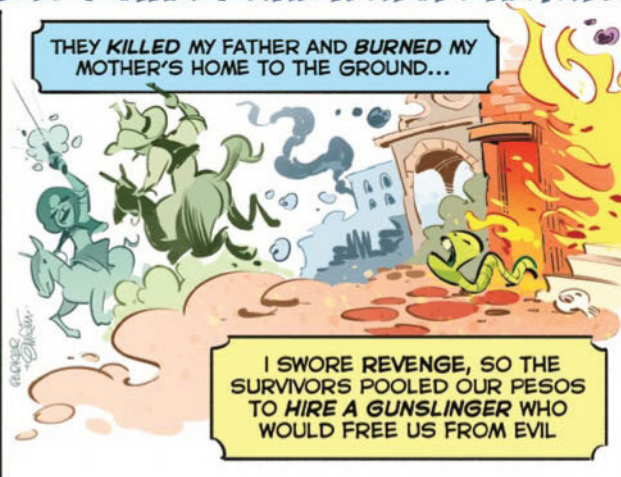

A passing motorist happens to look through the window and with a horrified look turns to his passenger.

"Fuck! I better give up drinking," he says. "Look at the sobriety test they're making people do now!"

A BLOKE runs out of fuel while driving along a deserted country road and walks to the nearest farmhouse to get help.

Helpfully, the owner of the house calls the nearest mechanic and lets the tired bloke wait inside.

While he's waiting, the bloke looks out the window and notices a three-legged pig in a pen outside.

"I'm curious about your pig," says the man. "How did he lose his leg?"

"Oh, that's a good story," the lady of the house answers. "Y'see, one night, the whole family was asleep in bed, and the heater set one of the curtains on fire. That pig broke in through the back door and dragged everyone in the family outside, saving all of us from burning to death!"

"Wow! That's pretty amazing," agrees the bloke.

"That's not all – another time we were all sleeping and a burglar broke into the house. The pig attacked him and wouldn't let him escape until the police got here!"

"That's a brave pig, but you haven't explained how he lost his leg."

The lady shrugs, "Well, after everything he's done for the family, it didn't seem right to eat him all at once."

Turtle, WA

### Breast stroke

ONE female Olympic swimmer confided to another, "I think I'm going to stop taking steroids. I'm starting to get excess hair in places I don't want."

"Ewww, like where?" asked her mate.

"My nuts."

### Birthday surprise

"HAPPY birthday!" the blonde sang, presenting her boyfriend with a large, beautifully wrapped box.

"Gee, thanks babe!" said the guy. "But it's not my birthday for another five days."

"I know, but I don't mind if you open your present early."

"Actually, I'll wait until my actual birthday," said the bloke. "The surprise is better that way."

True to his word, the bloke waited till the night of his birthday before finally unwrapping the present. To his shock and horror, when he opened the box he found a dead Labrador inside!

"What the hell is this?" he cried.

His girlfriend said, "I told you that you should have opened it five days ago."

# JUST ASK JEWELL

Expert sex advice from the brainiest babe we know!

## PIERCED OFF

**MY GIRLFRIEND** wants to get piercings on her pussy, after seeing yours in *People* mag, Jewell. She's aware of the pain involved in getting it done, but she's also worried about the discomfort involved during sex. Can you put her mind at ease, mate?

Glenn, Vic

■ Actually, the hood ring piercing was almost pain free, even though it looks like one of the most painful things ever. The hood is the piece of skin that covers the clitoris; it's very thin and, when pierced, it doesn't swell like other piercings and the downtime is about a day. I was able to tap rather hard on my piercing immediately after the procedure. Still, they recommended no sex for six weeks for hygiene purposes. Dermal piercings, on the other hand, are on a whole different level. They're surface piercings and the skin must be biopsied before inserting the bar underneath the skin. Once the procedure's done the dermals must be covered with Band-Aids for eight weeks. Otherwise, they can be bumped out, which can be very painful if it happens during sex.

## SCHOOL'S OUT

**I RECENTLY** met my old Grade 5 teacher Angela. She was a bit of a bitch back in the day. However, 20 years later, she's in her mid-50s and scrubs up pretty well. I invited her out to dinner and we got on great. Later, I even copped a blowie from Angela in her car. Mind blown! I want to see her again, but I can't get past the fact she used to regularly give me detention. Should I just forgive and forget?

Lil' Johnny, Qld

■ Johnny, you shouldn't stress or hold grudges. Those qualities aren't going to get you the pussy you want, darling! Dude, it was 20 years ago and you probably deserved it! Build a bridge and get over it. Don't let something so trivial get in the way of what you want.

## BAD GIRL

**I GREW** up in a very religious household and a lot of the

# 'KEEP THE FUTON FOR ANOTHER SEX SESSION OR CLEAN IT & SELL IT!'

chicks I've dated have been goody two-shoes...till now. This new girl I've started dating is a sexual demon. She even smokes WHILE we're having a root. I'm thinking of

bringing her home to meet my folks, but my gut says that's not a good idea. What would you suggest?

Gonzo, WA

■ Gonzo, what year are you living in?

## WIN \$20!

**HI, GUYS!** Whether you want a second opinion or simply the truth from a female, just ask Jewell! Every published letter wins \$20. Write to *Just Ask Jewell*, c/- *People*, GPO Box 2860, Sydney, NSW 2001. Or mail her at [people@bauer-media.com.au](mailto:people@bauer-media.com.au).

I know we have to have some level of respect for our family and friends, but don't neglect yourself in the process. At the end of the day, YOU have to be happy with who you're with! Have a chat with your girlfriend and get her to understand what your religious family's like, so she can choose whether or not to clean up her act before meeting your folks. Still, you have to ask yourself, are you happy with who she is? If yes, then you'll do what it takes to get a tick of approval from your family and move on with your lives.

## FUCKED OVER

**HEY** there, Jewell. I was selling an old futon on Gumtree when I received a response to my ad, asking to come over to my place and inspect it. Turns out it was two bloody hot chicks. One thing led to another and we ended up fucking on the futon. Now there are stains all over the bloody thing. Should I make them buy it? I can't sell the thing to anyone else in this condition.

Annoyed, Qld

■ BWAH-hahahaha! Dude, you got more than the price of the futon and now you want more. They're not going to buy your stained futon...you thought with your dick, got it wet and now you're asking that someone clean up your mess and pay you for it, too! Pay a furniture cleaning service and either keep the futon for another sex session or sell it once it's clean again.

PHOTOS BY MET-ART

**S**WEET and innocent has always played to **Blake Eden's** advantage. But she's really quite wicked beneath the surface. The American porn star's already very familiar with both cock AND vagina and she's ONLY 19!

**WHEN did you get your first taste of pussy, Blake?**

"The same day I sucked dick for the first time. I have a 'go-with-the-flow' attitude to life and was sort of thrown in the deep end, sexually, with a threesome. I had a girl eating me out from behind while I gave a dude head

**'GUYS AND GIRLS BOTH FEEL AMAZING ON MY CLIT'**

and I remember thinking, 'Wow, this is sex? I'll have me some more!'"

**But isn't that like starting at the top of a ladder, buddy?**

"It was a lot better than having some amateur accidentally shoot his seed in me in his parents' house while they were out grocery shopping or something. It set the bar high – very high – and I'm thankful for that." ▶

**WHAT'S the coolest thing you've ever won?**

**LUCKY DIP**

"I won some money in the state lottery in Nevada – it was like \$1500. I blew the cash on shoes and vodka, which was money well-spent!"

**'I REALLY LIKE

► **Are guys or girls better at going down on you, Blake?**

"It's like that 'same same but different' T-shirt you see a lot in Thailand. Both feel fucking amazing on my clit, but women do things men don't and vice versa. Like salt and pepper they both bring different qualities to a dish."

**And what dish is that?**

"The dish of de-lish. Me."

**Haha, gotcha. Have you had an all-chick threesome, spunky?**

"I JUST ticked it off my bucket list. That's something I'd recommend all open-minded girls try."

**We love your natural look. No plans of going plastic, we hope?**

"It works for some girls but not me. Friends are always telling me I get away with the most insane shit – all because of my girl-next-door cute look. I wouldn't want that to stop 'cos I got bigger tits. I like them how they are anyway."

# LADIES LOUNGE

JESSICA | 24 | The Harem, September 28

**WHAT alcohol is sure to get you wasted utterly and completely?**

"Anything will do if I HAVE enough of it. Generally speaking, vodka always fucks me up."

WHAT'S YOURS, DARL?

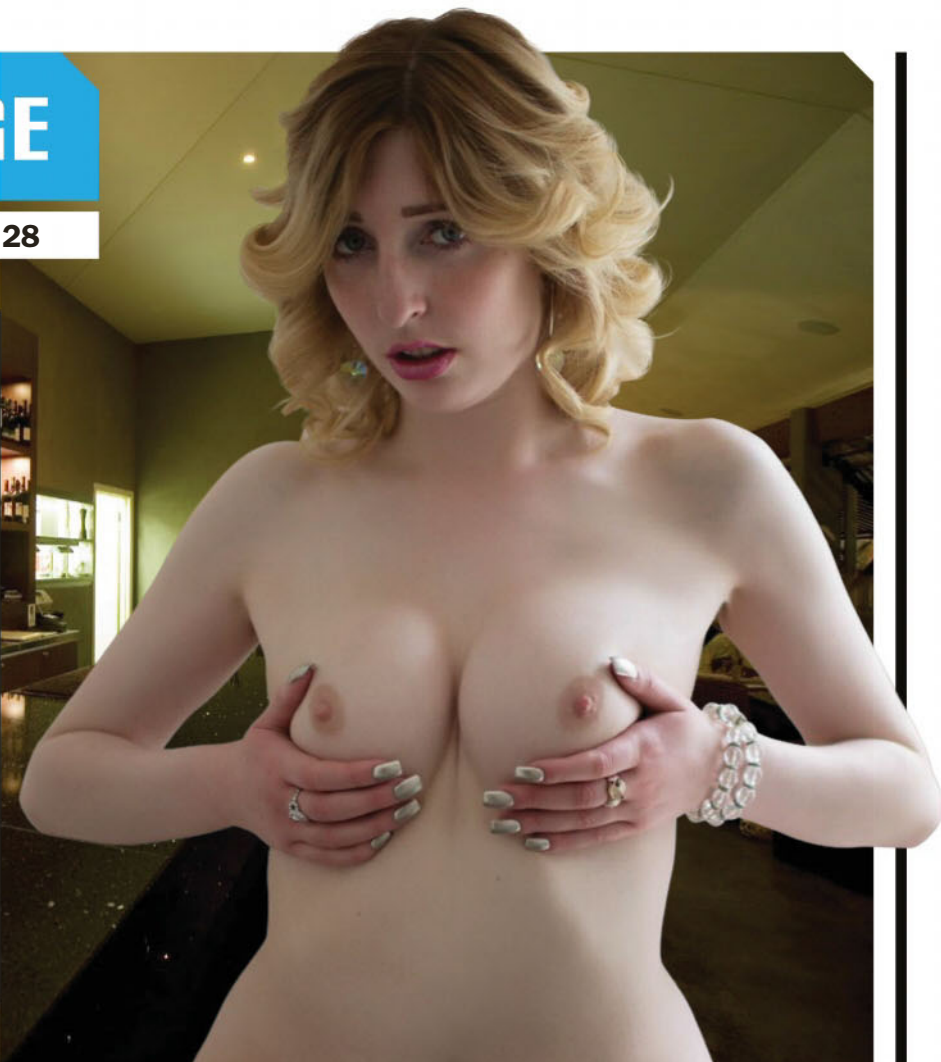

**Is there something you'll never drink again?**

"Oh gosh, Captain Morgan. The first time I had it, I puked ALL over my friend's apartment and then, having not learnt my lesson, I decided to drink it again, only faster to get pissed quicker."

**That couldn't have ended well.**

"Put it this way, I'll never be allowed back into THAT bar. I'm lucky the barman didn't demand I go wash his shirt!"

**CAPTAIN MORGAN SPICED RUM:** Although Jessica's off the good captain for good, we can't get enough of the yummy rummy. Mix it with some delicious Coca-Cola and you're in for the best drunken night of your lives, readers! Yaaaaaaaaaaaaaaaaaaaaaarrrrrrrr!

# BAD NEWS

These on-camera fails are a crack up!

Coco Cobra

# SUCK IT & SEE

Coco has nice marshmallows  
– we'll add the cream!

**W**HEN your parents name you **Coco Cobra** you only have two career choices in life: porn starlet or the frontwoman of a kick-arse rock band. Luckily for us, she decided to do both!

As lead singer of Coco Cobra & The Killers, the sultry siren stomps up and down stages wearing as little as legally possible and manhandling a microphone like an average-sized penis.

And the porn starlet part got sorted when Coco took a leading role in *Suck It &*

*See*, which is basically a bunch of NSFW music videos. Like all the best stick flicks there's no talking, just scene after scene of pants-destroying honeys stripping and doing the horizontal bizzo.

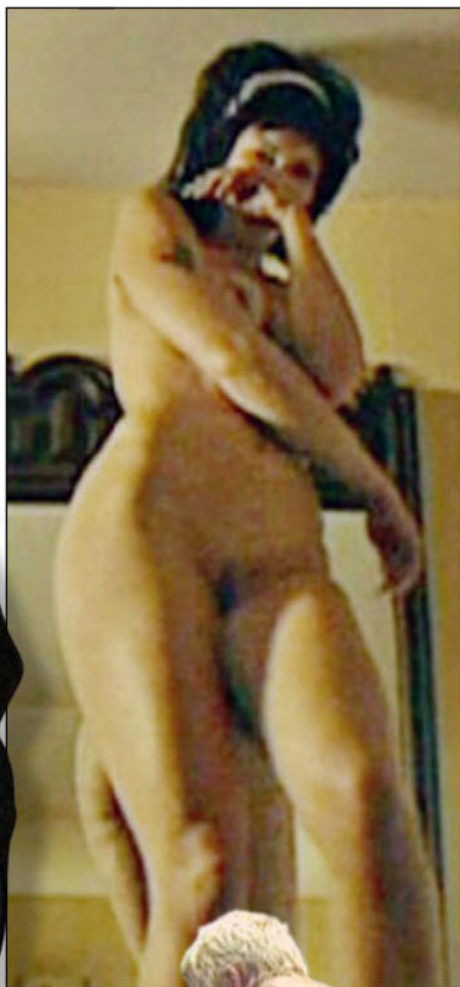

Coco plays a rockabilly hooker who gets picked up by a weird guy (actually her real-life husband and fellow Killers band member) and they fuck like bunnies.

As hot as this scene is, our personal favourite remains a scene where Alt. chicks **Belle** and **Roxy Hearts** get steamy in the bath and soap each other up in places where soap normally shouldn't go.

As a face-painted friend of ours sings: it made us wanna rock and roll all night long. 

1999

**Starring:**

Coco Cobra, Belle,  
Roxy Hearts

**Directed by:**

Jacob Pander

**Country:** USA

**What's the guts?**

We don't ask for much in our movies. Crazy-named hotties getting nude and grinding their beaut bits against each other while a bitchin' soundtrack plays in the background? Hell, we're happy monkeys...monkey-spanking monkeys.

## THE BIG STRIPPER

THIS pants-off mob flopped it all out on the Green Scream rollercoaster in Adventure Island in Southend-on-Sea, Essex to raise money for charity. Rollercoasters are scary enough at the best of times, but the biggest risk during this fund-raiser was the threat of getting smacked in the face by a wayward nutsack or boob while looping the loop!

## CAT FIGHT!

IT'S a universal concept across the animal kingdom. If your mate tries to cut your grass, you have every right to bite his face off while shoving your claws up his rectum. That's what happened with these testosterone-fuelled lions in Seth Effrica. Dudes have pride, eh?

Pussy always gets guys into trouble

I'VE met a lot of chicks but none more beautiful than Grace. She had blue eyes and soft blonde hair, but the icing on the cake was her sexy Brazilian accent.

I fell in love with it the second she opened her mouth after hitting on her at a club. She was in Sydney to learn English and I coolly explained I could teach her everything she needed to know back at mine.

Somehow she said yes and we were soon in my flat. So there I was, lying comfortably on my bed, watching as Grace gently licked my womb-broom for about 20 minutes.

She took her time, occasionally pausing from her tonguing and biting to inspect my King Kong dong as if studying it for some kinda sex exam.

She kept cooing things in her native tongue that I had NO chance of understanding and I continued to watch in silence as this heavenly creature worked my veiny bush-basher.

"You'll never learn English if you don't speak it," I joked, "but I'll forgive you on this occasion."

Grace looked up and smiled, then stood and gave

## AMAZING GRACE

me a taste of her bountiful Latina booty. She didn't let me touch it; only watch as she moved it nice and slowly in my face, teasing me more and more.

Eventually, she went back to blowing my mind.

Hummers must be a huge deal in Brazil because she made no effort to introduce

**'GRACE  
GENTLY  
LICKED MY  
WOMB-  
BROOM'**

my big rig to her moist cunny. But, hey! I wasn't about to start complaining.

Now, she took a different approach and completely devoured my rod to the root. I arched my back and moaned in sweet delight, letting her know that she was about to cop a mouthful of authentic Aussie spod.

Sensing that, Grace finished me off with her hand.

After a few strokes, I tensed and spewed a week's worth of creamy goodness, which even splashed as far as my chin!

With my ballsack cleared of old taddies, it was time to give my lover a freshly brewed batch for round two!

## WHOPPER OF A TIME

I LOVE penis. Big ones, small ones, fat ones – I'll gob them all. However, recently I took on NEARLY more than I could handle.

It started during a night out in Brisbane. An ugly guy was buying me drinks and I didn't see much else on offer, so decided I'd spend the night with him.

Troy lived in a beaut one-bedder in Kangaroo Point and I began to see this stud through different eyes. He then removed his pants and I fell in lust with him!

My cunt went slick with anticipation as I drooled at the sight of the largest boner I'd ever seen. It must have been at LEAST eight inches long!

## 'I WENT TO TOWN ON HIS BEEF BATON'

I dropped down and went to town on his beef baton.

I think my eagerness freaked Troy out a bit. He told me to calm down, but I told him to feel how wet I was. He did and laughed, then used my love-juices to grease up his erect pole.

He eased his mighty weapon inside me and I nearly shit myself.

Once I got accustomed to the size, Troy slowly worked back and forth till we both climaxed together. It was the best root of my life so, not surprisingly, we see a lot more of each other now.

His great flat and giant schlong make up for his rough head.

Elsa, Qld

MY HUSBAND Rick and I just got back from a swingers retreat in Europe.

Part of the experience is a stay at a hotel where anything goes, which is exactly what happened on our second day.

We'd finished a nice lunch overlooking the pool where I'd spotted two cute guys when we first sat down. Feeling contented with the meal, the studs stirred an appetite in my pussy that needed satisfying.

We went down and got comfy on a couple of sunbeds.

Rick took his clothes off and enjoyed some sunshine while I joined the guys in the pool.

They stood in the shallow end with their two large, thick cocks waving at me.

## 'RICK WAS HARDER THAN A SLAYER ALBUM'

I asked them if it was for my benefit. The smaller of the two guys laughed and reached out to touch my left boob.

I moved in between them and took a schlong in each hand.

I tugged and stroked each slab of meat, while Rick looked on from the side of the pool.

Watching me sucking two dicks must have turned on Rick,

too, 'cos he was now harder than a Slayer album.

The ONLY rule of the hotel is no sex in the pool, so before bodily fluids were exchanged, I hopped out and positioned myself on a sunbed where I could enjoy three delicious dicks at once.

They all took turns in my mouth and pussy with each stud finishing their carnal efforts by cumming on my soft boobs.

Needless to say, we'd attracted the attention of other hotel guests who gave a hearty cheer when the show was over!

We can't WAIT to go back to that hotel next year.

## FEMME FACTS

**Name:** Audrey

**Age:** 22

**From:** Sydney, NSW

**What's the guts?** Audrey's a fussy eater – only the highest quality of meat will ever go into her mouth. Erm...we ARE talking about food here, right?

**S**YDNEY siren **Audrey** is a sizzlin' girl-next-door type who doesn't like to rush things when it comes to sex. But if you're "topnotch", as the 22-year-old puts it, then you might be laying her after the first date. Good luck. Remember to take roses.

**HOW many dates with a guy before you'll root him?**

"Two or three is pretty standard. Or the first date if, you know, ►

**'I HAD SEX  
ON A GOLF  
COURSE'**

► he's totally top-notch. I'm generally shy around new people, but open up once I feel comfortable. And THAT'S when I unleash my real self."

**How kinky do things get when you are at the "comfy" stage?**

"69s are fun – it doesn't get any better than giving AND receiving oral at the same time. I also love sex outdoors and recently did it on a golf course at the back of my boyfriend's house."

**Fore! Any quirky habits you care to share with us?**

"I'm a bit of an animal lover and have all sorts of weird stuff scattered around my bedroom, like my squirrel and bunny lamps – and lawn flamingos. Well, I don't have a garden and I'm not allowed real animals."

**What about fish?**

"Fish don't love you back – and I can't pat them."

**You should work for the RSPCA or something, Audrey.**

"Right now I'm working as a lingerie waitress and spend most of my earnings on lingerie! That's cool, though – my boyfriend likes rooting me in something cute and sexy. Plus I'm always posting shots of myself on Instagram."

**That must be one racy account you've got there!**

"It's PG. Well, PG+. I can't show any nipple on Instagram so there's a lot of arse and cleavage going on."

# MODEL CITIZENS

'I AMAZE  
GUYS  
IN THE  
BEDROOM'

DIRTY 30s!

PICS BY GAVIN FOSTER

## MADDISON | 32

Ipswich | QLD

**Are you dynamite in the sack, Maddison?**

"I AMAZE guys in the bedroom."

**Wow! How, exactly?**

"I play the dominant role during sex and enjoy blindfolding the guy before giving him a beautiful blowjob."

**Sounds splendid. Tell us more!**

"Have you ever had a blowjob while the girl has an ice cube in her mouth?"

**No, but something tells us we should.**

"Not only does it make the guy last longer but the sensation is incredible."

**Do you swallow at the end?**

"Yes, I swallow. But, if I'm trying to impress, I gargle it first."

## NATASHA | 21

**Bangalow | NSW**

### What was the last wild thing you did?

"I got drunk at a pub, then stripped and sang on a tabletop."

### Are you something of a wild child?

"I'd say so. I love a good party and cheeky pole dance."

### Who would you say is your biggest celebrity influence?

"Marilyn Monroe."

### Can you skol a beer?

"As well as any bloke can!"

### Are you any good at building stuff?

"Being a farm girl I've learned to fix a lot of things, the last being a chicken pen. I love working on cars and tractors, too."

**'I SMASHED SIX CANS OF BEER IN TWENTY MINUTES'**

## KYLIE | 20

**Perth | WA**

### Would you rather stay in a nice hotel or at a camp site?

"Give me a hotel any day."

### Do you like op shops?

"They're awesome, but it's hard finding quality goods in the regional ones."

### Does it matter what a bloke wears?

"I couldn't care less, as long as what he's wearing doesn't clash too much."

### What was the most beer you drank in one setting?

"I smashed six VB cans in 20 minutes after these bogan dared me \$260."

### Score!

"Yeah - I was working at a bar and they were idiots."

# MODEL CITIZENS

**ALICE | 21**

**Toowoomba | QLD**

**CITIZEN  
OF THE  
WEEK**

**Is there a particular type of guy you go for?**

"I like guys who make me laugh and are up for some fun, whether that's a road trip or watching movies at home."

**What kind of music would you listen to on a road trip?**

"It's either 'OMG, you have to listen to this!' or 'OMG, I this is so embarrassing! I can't believe this is on my playlist!'"

**Have you ever gone the tonk in an automobile, mate?**

"Yeah, once, after a wedding. I'd drunk two bottles of champagne and had sex doggy style in the back of a car."

**Crivens! Do weddings turn you on, then, Alice?**

"I hate weddings – everyone's too nice and you end up talking to people you DON'T want to talk to."

**Bugger. What do you like most in the bedroom?**

"I like pressure...y'know, when a guy grips my hips and does me hard...that kind of thing."

**We get the picture.**

# PEOPLE'S CHOICE

**Name:** Nessi

**Age:** 22

**From:** Prague, Czech Republic

**What's the guts?**

Run! Run for your lives! Nessi's towering num-nums are rampaging and our aching cocks are in their sights!

FEMME  
FACTS

# ODZILLA!

Nessi's monster mams want to destroy all trousers!

PHOTOS BY DDF PROD

**U**NLIKE Godzilla, King Kong and other oversized leviathans,

**Nessi** and her giant gazongas prefer a spot of shopping over random destruction of cities.

Explains the naturally blessed Euro-spunk, "It's a lot of fun using rich men's credit cards to buy Prada bags and Louis Vuitton shoes. But just as fun is a game I play called 'eye catcher'."

The Czech chick explains the aim of the game is to count the number of men whose eyes stray from their significant others down to her epic 40DDs when they walk past. What's not so clear is how the game's actually won...

"I just feel a certain satisfaction that they lust after me," she laughs. "They want me and my diddies more than their missus."

Ease up, mate, no need to gloat. Still, getting Nessi in the sack would make any man's life complete, especially if they could get their hands on them titanic tits.

"I'm a massive fan of foreplay – it's as important as intercourse. I'll squeeze your dick between my plump pillows for as long as your heart desires. Next, I'll lick up the pre-cum before feeding you deep inside my cunny."

Nessi! Your saucy bedroom talk could make any guy bust out of their trousers!

"That happened once before, you know," she giggles. "I was SO animal horny for a guy I met at a nightclub that I literally shredded his boxer shorts in the toilet cubicle just to free his beast. He blew within seconds of me giving him head. That made me sad 'cos his cock was big and beautiful, and I was looking forward to riding him."

Wasn't there time for another go, buddy?

"No, his girlfriend was waiting for him at the bar."

You're a monster, Nessi. A sexy, big-breasted monster. 

**'HE BLEW  
WITHIN SECONDS  
OF ME GIVING  
HIM HEAD'**

THE kid-clobbering champs at Reel have sent us FIVE DVDs for this comp. To enter, **just tell us IN ONE SENTENCE the most annoying child actor you've seen.** The five most punchworthy answers will receive a DVD. Mark your entries "Cooties comp".

## Trainwreck

**Universal Sony, rated MA, out Nov. 12, RRP: \$39.95 (DVD)/\$44.95 (Blu-ray)**

**What's the guts?** Current super-hot comedian Amy Schumer stars in this outrageous hit flick about a chick who thinks monogamy is a dirty word. Sounds like our kinda lady!

**Anything else?** Amy regularly gets pissed, parties hard and fucks whomever she wants, even though she's also shagging/dating gym junkie Steven (played by WWE wrestling superstar John Cena). But she contemplates ruining her perfect life when she falls in love with nice-but-boring Dr Aaron Connors (Bill Hader). Will Amy clean up her life and settle down with her one true love? We hope not. She's way too much fun as she is.

**Final word:** Taking Amy.

Amy's the girlfriend who's never satisfied. She's dating John Cena for fuck's sake!

**Win!**

THE hard-working folk at Universal Sony Pictures Home Entertainment have couriered FIVE brand-spankin'-new DVDs to hand out. To get yours, **just tell us IN ONE SENTENCE the most disastrous date you've ever gone on.** The five biggest train wreck answers will win a DVD. Mark your entries "Trainwreck comp".

## The Enfield Haunting

**eOne, rated M, out Nov. 18, RRP: \$24.95 (DVD)**

**What's the guts?** If there was one thing more terrifying than living in dreary old England in 1977 it was having a fucking poltergeist bothering you while living there. This is what happened to an ordinary family in an ordinary house in ordinary suburban London. A paranormal researcher tries to help the family, who are being tormented by an evil spirit. Can he save them from the demonic forces hell-bent on destroying them?  
**Anything else?** This three-part TV series – starring Timothy Spall – is based on a true story, arguably the most documented account of poltergeist activity in UK history. Whether there were genuine ghosts or not, the events that took place forever changed the lives of those involved.

**Final word:** Terror in the 'burbs.

**Win!**

COURTESY of eOne, we have FIVE DVDs on offer. To win a copy, **just tell us IN ONE SENTENCE the spookiest thing that's ever happened to you.** The five most haunted answers will score a DVD. Mark your entries "The Enfield Haunting comp".

Mike demonstrates one of the skills he learned while in jail

**'WE ALL DO DUMB SHIT WHEN WE'RE FUCKED UP'**

"I know people may say, 'This guy's a fascist,' and all this stuff. But, man, you can take positivity from watching him. This guy's a hypnotic figure. There's so much pride behind what he's saying. I'm not even Italian and I feel the pride he's projecting. No wonder Hitler was attracted to him."

Yeah, Mikey – Mussolini and Hitler. That'll get the kids in.

Next on the champ's hit list is Broadway. He had some success with his one-man show *Mike Tyson: The Undisputed Truth*, in which he summed up the wreckage of the past decade of his life – the cocaine, the booze, the arrests – with one sentence: "We all do dumb shit when we're fucked up."

Now he's contemplating another trip to the stage.

"If my production company continues to become larger, I'd like to do a history of the Roman Empire. That's what I'd love to do."

*The History Of The World According To Mike Tyson?* Starring the man himself? We'd pay to see that. 🍷

## DISGRACE-O-METER

# MAGIC MIKE

Boxing great goes a few rounds with Madonna

**D**O YOU remember **Mike Tyson**? Big, punchy bloke with a gnarly criminal history and a penchant for snacking on opponents' earlobes?

The fella with the original *Hangover* face tatt, who went off the rails after he gave up boxing and took up drinking and drugging in a big way?

Yabbering maniac from the comedy roast of Charlie Sheen, speaking in Venusian and threatening all the other guests while having trouble keeping his arse on his chair?

Yeah, that guy. Well, guess what? He's back. Except this time it's as an all-round family entertainer. Seriously.

He's rapping with Madonna. Doing a cartoon show. And watch out, because we think he wants to be edumacational, too.

This flurry of wholesome show biz activity for the former heavyweight champ comes as a welcome sign of redemption for the man most of the world thought had disappeared down the gurgler of wackiness.

After all, when you've got half a mud crab tattooed on your face and have threatened to eat a rival's children, nobody really expects you to return with an animated adventure called *The Mike Tyson Mysteries*.

In it, our hero saves the world once per episode, with the help of a couple of sidekicks.

"Along the way we fly into a lot of ambiguous situations. I may also punch a few dinosaurs," explains Mike.

If a kiddy series seems too ...er, lightweight, he's also gone for the older crowd with his cameo on Madonna's *Iconic* single, where Tyson rants as only he can.

He even appears in the video being used as part of the stage show on her latest tour, so he'll be getting a lot of exposure while Madge drags her gristly bits around the globe.

But just when you think he's gone respectable, Mikey hits ya with a sucker punch, claiming his performance is based on Italian dictator Benito Mussolini.

A woman with long dark hair tied in a ponytail is posing outdoors. She is turned away from the camera, showing her back and buttocks, but she is looking back over her shoulder with a smile. She is wearing bright pink lipstick. The background consists of green foliage and some purple flowers.

# LET'S EAT

**WHAT a highly bitable behind you have, Sapphire!**

"People say mine's a 'hungry bum' 'cos my pants often get a wedge between the butt cheeks."

**That'd be quite a sight.**

"It usually happens when I'm sitting around at home wearing shorts. You know, the comfy type for watching TV."

**You like the casual look, eh?**

"When I'm lounging around I do, but you'll often see me wearing G-strings and stuff when I'm working at the strip club."

**We'll have to pop in!** 

**'PEOPLE SAY  
I HAVE A  
HUNGRY BUM'**
